IAARRR

Customer Lifecycle: 5 Steps to Success

- Acquisition: users come to the site from various channels
- Activation: users enjoy 1st visit: "happy" user experience
- Retention: users come back, visit site multiple times
- Referral: users like product enough to refer others
- Revenue: users conduct some monetization behavior

Customer Lifecycle / Conversion Behavior

IAARRR

Acquisition (사용자획득) Activation (사용자 활성화) Retention (사용자 유지) Revenue (매출) Referral (추천)

사용자가 어떻게 서비스를 접하는가?

DAU, MAU, New User, 방문자
